

CiA Product Panels at Bauma Munich 2025

CAN in Automation is pleased being able to offer you exhibition space in form of CiA Product Panels, at Bauma Munich 2025. If you would like to exhibit your product as part of the CiA Product Panel wall, please provide the completed order form (see following page) to CiA. Please note, every shown product is linked to the related CiA Product Guide entry, via a QR-code. Basis for one CiA Product Panel is a plate with 30 cm x 30 cm (length x width).

Providers of panels are responsible for the safety of their products. Non-safe products are not exhibited! The decision on product's safety is up to CiA, only.

NOTE: It is not required to show a product, operating to 100%; maybe exhibiting the housing (or a dummy device) is appropriate, as well.

The product for being exhibited on the panel may not exceed a max. weight of 10 kg and a max. size of 30 cm x 30 cm x 30 cm (length x width x height). It must not be possible to touch live parts. Moving parts are not allowed except they are enclosed.

NOTE: In case of your cancellation of participation, in case of not providing your product till the submission deadline given in this document, or in case of providing an unsafe product that thus cannot be exhibited, a charge in the full amount of the costs mentioned is invoiced. CiA GmbH is entitled to withdraw from the contract, if you do not meet the financial obligations arising from this contract, and a 14-day grace period set by CiA GmbH is not met either. In case you breach the contract, CiA is also entitled, in addition to withdrawing from the contract to charge you the price for the ordered CiA Product Panel as lump-sum compensation. The CiA's right to demand further compensation remains unaffected. If, as a result of force majeure or for other reasons for which CiA is not responsible, CiA is forced to vacate the booked stand space temporarily or for a longer period of time, or if the trade show is postponed, shortened or canceled completely, and CiA is not able to exhibit your CiA Product Panel, you are not entitled to withdraw from the contract, terminate the contract, reduce the price or assert any claims, in particular claims for damages against CiA GmbH.
